Access Your PWQ Online Account

The electronic version of the *Psychology of Women Quarterly (PWQ)* is available online to members of the Society for the Psychology of Women. Access *PWQ* online to read full-text articles as they are published ahead of the print version via OnlineFirst, as well as online supplementary data, such as podcasts, videos, and PowerPoint presentations.

To set up your online access

1. Go to the SAGE Journals Online site:
<https://online.sagepub.com/cgi/activate/basic>.
2. Where it says "Activate Your Online Subscription:" enter your **APA-Division 35 Member ID** (your ID is the 8-digit number above your name on the mailing label that comes with the print copy of the journal) and select Society for the Psychology of Women from the drop down menu and click "Submit."
3. On the "Instructions" page, be sure to check your personal data. Enter a username and password and click submit to confirm activation. Do not click the Journal Title link until the confirmation process has been completed.

To access articles

1. Once complete, return to the electronic journal homepage and select the journal cover for access to the current issue or click "Current Issue."
2. To select an issue from the archive click "All Issues".
3. To search for articles, enter the title in "Search this journal" or use the "Advance Journal Search" link.
